Instructions for Virtual Poster Presentations

1. Your poster will be live streamed at a given time slot during the online poster presentation session.

2. An online workshop will be held on **27th October 2021 from 7 pm to 8 pm** to provide guidelines on poster preparation and video recording.

3. You may use software such as MS Power Point or Corel Draw to prepare the poster. You need to provide a 2-minute pre-recorded video presentation regarding your poster. More details will be provided for you during the workshop. A sample 2-minute pre-recorded video presentation will be provided for you.

4. The size of the poster should be 56" (width) and 36" (height) and in **landscape orientation**. The title, author/s and their affiliations should be indicated on the top of the poster.

5. The data should be presented in a logical and self-explanatory sequence. A sample poster is given below for your information.

6. Posters (**PDF file and 2-minute pre-recorded video presentation**) should be sent to the PGIA Congress Office (congress@pgia.ac.lk) by **November 9th, 2021.**

7. Your poster will be evaluated on technical content, organization of work and visual impact by a panel of judges.

8. The poster presenter (1st author) should attend the on-line session for poster presentations for a Q&A session (time and date will be notified in due course).

Note: *Full papers of all the posters presented at the PGIA Congress - 2021 will be considered for publication in one of the four Issues of the journal "Tropical Agricultural Research, Vol. 33, 2021".*
