34<sup>th</sup> PGIA  
ANNUAL CONGRESS

Postgraduate Institute of Agriculture,  
University of Peradeniya, Sri Lanka

17 & 18 November 2022

# Smart Agriculture for Sustainable Farming

Peradeniya, Sri Lanka

## THE PGIA

Established in 1975, the PGIA has evolved into one of the leading postgraduate institutes in Sri Lanka and in Southeast Asia. Currently PGIA offers MSc, MBA, MPhil, DBA and PhD programs under 11 Boards of studies. Nearly 2,300 students follow postgraduate degree programs at PGIA covering a wide array of specialties. Over 300 internationally and nationally qualified eminent academics and senior scientists serve in the teaching panel.

## ANNUAL CONGRESS

The annual congress is an international scientific forum organized by the PGIA. The congress promotes postgraduate research in agriculture by providing a platform for postgraduate students to showcase their research findings for discussion and debate among a wider scientific community. In addition, the congress is graced by eminent scientists delivering invited speeches.
