

ONLINE WORKSHOP

on

“Upon Journal Submission to the Publication: The Process and the Journey”

Organized by

Organizing Committee of the 33rd Annual Congress of the PGIA

“Getting your research published in a reputed journal is an unforgettable milestone in your career. Yet, it entails jumping over one last hurdle: successfully addressing editor’s and reviewers’ comments. This workshop is organized to help you with the process. Eminent scientists with illustrious publication records will share their experience”.

Response to Reviewer

- ❖ **It’s an art and science that you should nurture**
- ❖ **Addressing to reviewers’ comments can be tiring**

- Overviewing reviewers’ comments
- What to do with blames
- Do I need to address all the comments?
- Can I agree or disagree?
- What are the Dos and Don’ts?
- What changes can be done and how?
- Letter of Response to reviewers
- Letter to the managing editor
