

Instructions for students returning to University of Peradeniya for Examinations

General conduct for both residents and day-scholars

- 1) All given guidelines aim to encourage maintaining distance, respiratory etiquette, hand hygiene and mask wearing while minimizing crowding, congestion and close contact
- 2) Practice infection prevention and control measure at all times while within university premises
 - Perform hand hygiene frequently
 - Wear a well-sealed mask to cover nose and mouth at all times when in common spaces
 - Bring an extra mask for changing if a need arises to do so
 - Avoid touching your face or adjusting the mask
- 3) Keeping distance and ensuring ventilation
 - In hostels or faculties, avoid gathering in groups
 - Keep space as much as possible from each other (2 m where possible)
 - Open all windows in student rooms, learning rooms and common rooms
- 4) Clothes
 - Change clothes worn to out-side in public commute after wearing once and frequently wash cloths.
 - Soaking cloths in soapy water for about 15 minutes is advised.
 - Keep bear below elbows as much as possible
- 5) General conduct
 - When the hostel/faculty canteen has more than 50% of its normal capacity, please request for lunch parcels and use other ventilated places for having lunch
 - DO NOT share the same meal, cups or plates at the same time
 - Keep a diary of where you go, and whom you were in contact with
 - Except for essential shopping, do not go in to the town for recreational activities
 - Do not arrange or participate in social events.
 - Do not invite and visitors to the university premises
- 6) If you are feeling unwell, please inform the Chief Medical Officer and arrangements will be made to assess you

Being allowed to continue your education in these times is a PRIVILEGE, not a right. We are doing our best for you. Act with more responsibility.
