To – All PGIA past students those who have not completed the degree due to time limitations.

Please note that, the PGIA past students those who have not been able to complete the degree within the stipulated time period, now can re-register for the same degree programme on concessionary terms, while transferring the 2/3 of the credits previously earned by them as indicated below.

Transfer of Credits and Exemption of Courses

If a student who had been previously discontinued or withdrawn from a program can get re-registered for the same degree program as a fresh student and a maximum of 2/3 of credits required for the degree program, earned within the last 10 years could be transferred with the recommendation of the relevant Board of Study.

<u>Degree</u>	<u>Maximum No. of Credits to Transfer</u>
M.Sc. (CW)	- 17 out of 25 credits excluding Directed Study of 05 credits
M.Sc.(CW&R)	- 20 out of 30 credits excluding Directed Study of 05 credits (However, not allowed to downgrade the degree program)
MBA	- 24 out of 36 credits excluding Research Project of 05 credits

The time gap between the new date of registration and the expiry date of the previous program shall be considered when calculating 10 years period for the degree program offered at the institute previously. The grades obtained "B" or above for courses shall be considered for transfer of credits. Those who have made full payment during the previous registration shall be given a deduction of 50% of the course fee.
